

Road Paved.
Fresh Paint.
Beautification.

PAVING
LOUISIANA'S
FUTURE

Paths to Progress invites you to attend a neighborhood informational meeting to discuss the repair and resurfacing of roadways in your area.

City Park Ave. (Canal Blvd. to Orleans Ave.)
Esplanade Ave. (Moss St. to N. Claiborne Ave.)

Thursday, January 17, 2013

6:00 p.m.

**Our Lady of the Holy Rosary Catholic Church
Cafeteria**

3368 Esplanade Ave.

New Orleans, LA 70119

Construction of these street segments is proposed to start in late February 2013. The primary focus of this informational meeting is to discuss construction and repair details and answer questions.

Paths to Progress is a transportation improvement program to rehabilitate, restore and enhance more than 60 roadway segments in Orleans and Jefferson parishes. With a combined investment of over \$90 million, Paths to Progress is a collaborative effort between the Federal Highway Administration, Louisiana Department of Transportation and Development, New Orleans Regional Planning Commission and City of New Orleans.

If you require special assistance due to a disability in order to participate at this meeting or if you need additional information, call 1-800-574-7193.
