Neighbors:

At today's city council meeting the vote was unanimous 6-0 to take Councilman Carter's recommendation to deny the zoning change and uphold the City Planning Commission recommendation to deny. Councilman Carter acknowledged the many phone calls, letters and emails that he received voicing opposition to the zoning change and the conditional use for a hard liquor license. He also mentioned that he and Shelley Midura have place moratoriums in certain neighborhoods against the increase of liquor outlets.

Regards,

Conrad
